- Teamwork Challenge

Workshops

Be a Body Scientist

Using the Museum's handling collection, discover the importance of nutrition and exercise in staying healthy.

- Try your hand at modern and Victorian exercises.
- Using what you have learnt, create a picture using a range of different materials.

Be a Courtauld Crafter

Explore the work of famous local silk weavers Courtauld & Company before choosing one of the following activities:

- Make your own greetings card.
- Construct your own 3D clay model.
- Use your imagination to design a new comic book or superhero.
- Make your own fabric wreath.

Be a Braintree Explorer

Many famous explorers including Augustine Courtauld and Quentin Riley were born and raised in Braintree.

Discover what kind of explorer and team player you are by trying our Museum Treasure Hunt and group challenges.
